2nd February 2012

Dear Parents

I am delighted to announce that the builders have finally left the site and all our new buildings are now in use. If you are visiting the school, please enter through the new main entrance and the visitors' reception is immediately through a door on your right.

After half-term there will be new markings on our parking areas. There will be disabled parking, followed by visitors' parking close to the main entrance. The area on all sides of the flag pole and immediately in front of the Rose Door (where the portacabin has been situated) will be for deliveries only. There will also be marked walkways from the Bus Bay to the entrances.

The arrangements for dropping students off and collecting them will remain the same. Only those parents with a pass will be allowed to drive on to the site in a morning and at 3.30 pm.

We now have more than sufficient parking for all our staff and visitors and we ask that you only use the designated areas. Can I thank you for your continued co-operation in these matters?

Yours sincerely

J Downes
