July 2011

Dear Parent/Guardian

## Building work September 2011 – restricted access

Planning permission had now been granted for our Bus Bay and Car Park. Therefore, these projects along with the Entrance Hall project, will now commence over the summer holidays. As a result space will be restricted on site and parents will be unable to drive through the site to drop off or pick up students at the start and end of the school day.

A member of staff will be at the Lowmoor Road entrance on Wednesday 7<sup>th</sup> September to remind you of this. It would be helpful if you could plan an alternative dropping-off/picking up point to ease congestion by the school gates.

Parents who have to come into school on school business should be aware that parking will also be somewhat limited. For the autumn term our Reception will be in a portacabin which will be situated in the area of the flag pole.

Yours sincerely

*J Downes*
