

Collective Worship Policy

Assemblies can be a potent means of transmitting the school's values and they are important to us. However, the size of our hall only permits us to have a weekly assembly for each year group. We believe, however, that induction into our country's Christian heritage is an important part of the education of all British citizens whatever their faith. We therefore value our links with St Mary's Church and use it for our annual Carol Services. We also have a special service in the school library each year on Remembrance Day.
