24<sup>th</sup> September 2012

Dear Parent/Carer

Already, within these first few weeks of the school year, there have been numerous near misses involving the vehicle traffic along Lowmoor Road, caused primarily due to the stopping of cars to drop/collect children.

The dropping off/collecting of children is often taking place close the entrance/exits to the bus bay as well as along the length of Lowmoor Road; resulting in the general road traffic having to overtake the numerous parked cars. Please could I ask that you try to find a safer dropping off area for your child(ren) – this may need to be away from the immediate area on Lowmoor Road.

Nelson Thomlinson School has to manage the safety of 17 coaches during the morning and evening Home to School transport sessions and would therefore request that the turning of cars in the entry/exit areas of the bus bay is also avoided. I appreciate your understanding in this matter and thank you in advance for your co-operation.

Thank you.

Yours sincerely

Mrs Katie Hoskins  
Health and Safety Manager
