19th June 2014

Dear Year 12 Parents

Since their return from study leave the Year 12 students have been focussing on Higher Education and Careers as well as their new A2 courses. As part of the programme all Year 12 students will visit the HE Convention at the Sands Centre in Carlisle on the morning of Friday 27th June. On Thursday 3rd July as part of the Curriculum Enrichment Day we have organised a programme of presentations and workshops by student ambassadors from Newcastle University as part of the PARTNERS programme, University of Cumbria, representatives from local companies as well as Sixth Form and Careers staff. These will involve looking at the options available after A Levels, how to research what is available, how to make choices, how to apply and the question of fees and loans.

There are very important decisions for students to make in the coming months and we feel that you, as parents, need to know about the available options too, so we warmly invite you to a Parent's Information Evening on Tuesday 8th July at 6 pm in the Main Hall. We will give a presentation on Higher Education and Careers and representatives from Student Finance England will also give a presentation and answer any questions you may have. I hope you will be able to attend and look forward to seeing you.

Yours sincerely

E. Lynch (Mrs)
Head of Sixth Form
