KS4

Type of feedback-feedforward	When and where
Graded/levelled work	All lesson objectives lead to a written outcome that will be written up in blue exercise book. Outcomes will be graded using 'Content/Range/Accuracy' mark scheme that gives a score out of 10 and a grade in Year 11, and a score out of 18 and a number up to 9 in Year 10.
Written formative comments	Written in exercise books on these outcomes.
Verbal formative comments	Sometimes individual; sometimes whole class feedback.
Opportunity for pupils to act upon feedback	Pupils are given mark/grade/ T (target to improve) and are required to feedforward on their errors (sometimes in green pen).
Special circumstances/Notes	In Year 11, work is taught in phases: phase 1 can include detailed feedback and marking; phase 2 is strictly controlled and no feedback can be given; phase 3 is when tasks are taken in exam conditions. In Year 10, all outcomes can be marked at any time as all the examinations are terminal.

Type of feedback-feedforward	When and where
Graded/levelled work	Students have files and outcome books for each teacher. Lessons are taught in outcomes and are marked for content, vocabulary, range and accuracy, and graded. The new AS is divided into themes and units divided between two teachers. Outcomes will be corrected and marked in the exercise books and vocabulary will be tested in orange test books. A2 is similar but students also have 2 cultural topics (1 per teacher) with essays in file and shorter pieces in outcome book.
Written formative comments	All written work will be corrected with formative comments added.
Verbal formative comments	This happens in class whole class feedforward or individually. Also happens in weekly tutorial with Mr Whelpdale and in reviews (when whole course is audited).
Opportunity for pupils to act upon feedback	Students act upon feedback constantly as all work is marked. Test results are shared with Mr Whelpdale to facilitate highly personalised feedback.
Special circumstances/Notes	Our "Oxbridge" tutorial concept is our Rolls Royce method and we are very fortunate to have a TA with the expertise of an outstanding teacher and a timetable that allows for this (easier for us as we have relatively small numbers).
