Dear Parents

The E-Safety & Prevent web page give an overview of how we are keeping our pupils and children safe in an ever changing technological world. We have added a summary of our current E-Safety procedures as well as adding the E-Safety policy which was introduced in September of 2015 and has been signed by all pupils and parents.

This term I will be delivering assemblies for all pupils on the topic of E-Safety using materials from the CEOP website (Child Exploitation and Online Protection Centre) which provides excellent resources and guidance.

The video clips: "Consequences", "Matt thought he Knew" and "Cyber-bullying" will be shown to pupils.

These provide an excellent opportunity to stimulate discussion with your children about E-Safety

Yours sincerely

M Beechey
Assistant Head Teacher
