Examination Information Year 13 Summer 2022

This guidance should be read in conjunction with the 'Information for candidates' document published by the Joint Council for Qualifications (JCQ) and supporting notices, which can be accessed on the school website.

Examination Attendance

Candidates will be provided with an individual examination timetable. This will include their exam/candidate number, details of the exam, dates, times and seat numbers for each examination. This will also be available for candidates and parents on their Edulink accounts. ***It is your responsibility to know when and where each exam is taking place.***

Candidates should familiarise themselves with their exam/candidate number and the school centre number (42241). These will be required when completing personal details on the front page of all exam papers/answer booklets.

Any exam clashes will be dealt with by the Exams Officer. Candidates will be advised of any changes to their timetables.

All examination sessions will begin **promptly** at 9.00am and 1.30pm.

Candidates should arrive at their exam venue **no later than 10 minutes before** the start of each exam.

Candidates will not be allowed to leave the examination venue until the end of the exam.

Late arrivals may still be allowed to sit the exam at the discretion of the Exams Team/Senior Management Team. Candidates should note that awarding bodies may not accept scripts from candidates who arrive late. All late arrivals must be recorded and may be reported to the awarding bodies.

Parents **must** contact the school by 8.30am or 1.00pm (as appropriate), if a candidate is unable to attend an exam or will be arriving after the stated exam start time.

Late candidates must sign in at Main Reception, speak to the Exams Team/Senior Management Team and will, if appropriate be escorted to their exam venue.

Parents should be aware that if candidate fails to attend an exam for any reason, parents may be liable to cover the cost of any fees for any missed exams. Parents will be asked to provide a letter containing medical evidence confirming any illnesses.

The awarding bodies have designated **Wednesday 29 June 2022** as a contingency day for examinations, in the event of significant national or local disruption to examinations. Candidates must remain available until this date, should an awarding body need to invoke its contingency plan.

The timings, including any extra time, will be displayed in each exam venue for each examination.
