

Sixth-Form Dress Code

The sixth-form dress code is a reflection of the importance we attach to setting and maintaining high standards and at the same time treating you as young adults.

As senior members of the school it is important that both your dress and conduct set an appropriate tone for the younger students. Moreover, in joining the Sixth Form you have chosen to pursue academic and vocational qualifications for your future. This is not a casual endeavour and your dress will reflect that.

Your dress should be businesslike and tidy.

Boys

- Smart tailored/suit trousers with a shirt and tie must be worn. Smart jackets/suit jackets may also be worn.
- Shoes must be black or brown and not trainers.
- A smart jumper, plain without patterns/logos (V or round neck) may be worn.

Girls

- A dress, a suit or smart tailored skirt/trousers must be worn. The dress/skirt should be of a style and length appropriate in a professional environment (**just above the knee as a minimum length**). Tops should not show cleavage or midriff excessively. We reserve the right to decide what is and is not appropriate. We would advise students to err on the side of caution in this regard.
- Smart jackets/suit jackets may also be worn.
- Shoes should be smart and low heeled.
- A smart jumper/cardigan, plain without pattern/logos (V or round neck) may be worn.

Coats

- Coats may be worn at any time but not in lessons. A hoodie is not a coat.
