### Awarding body exam contingency dates:

Thursday 08 June 2023 (afternoon)

Thursday 15 June 2023 (afternoon)

Wednesday 28 June 2023 (all day)

These dates form part of awarding bodies' standard contingency planning for examinations and are designated to be used in the event of national or significant local disruption to examinations.

All candidates must remain available until after Wednesday 28 June 2023; where an awarding body is required to invoke its contingency plan and reschedule an exam to a contingency date, and a candidate is unavailable, candidates will not be eligible for special consideration.

### Timetable clashes:

If you have a timetable clash, the Exams Officer will let you know prior to the start of the exam series how any clashes will be resolved.

Where a candidate has two or more examinations in a session and the total time is **three hours or less**, candidates will take one exam after the other with a maximum 20 minute rest break between papers. Any restbreak will be conducted in the examination room, under formal exam conditions.

Where a candidate is taking two or more examinations timetabled for the same session and the total time is **more than three hours**, candidates will sit one examination in an earlier or later session within the **same day**.

In such circumstances, please note the following:

- Candidates will be kept under centre supervision at all times between examinations (i.e. a member of centre staff will always be present in the same room as the candidate);
- Whilst under centre supervision, candidates may revise using their own resources however, must not have access to or be in possession of an electronic communication / storage device or have access to the internet;
- Candidates must not have any contact with any other candidates (with the exception of any candidate who may also be under the same supervision);
- Candidates will be collected from their morning exam venue and returned to their afternoon exam venue by a member of centre staff;
- Candidates must ensure that they bring their lunch / drinks into school with them; candidates will not be able to access the school canteen or leave the school site to purchase their lunch.

If you have any queries regarding a timetable clash, please speak to the Exams Officer.
